

Membership House Rules

1. Memberships are non-refundable and non-transferable. Cardholder(s) must be present to receive benefits. Photo ID required.
2. Cardholder(s) must be legal guardians or adult caregivers of attending children. Up to 2 cardholder names included per membership. A caregiver or guardian may be added as third cardholder name for \$10.
3. Number of visitors allowed is determined per membership, not per card. Additional visitors may be added to memberships for \$20 each.
4. Free membership admission does not include special events, birthday parties, field trips, or other pre-registered group visits.
5. Replacement card sets are \$10 each. This includes legal name changes, unless the change is due to a printing error. Documentation is required.
6. Admission fees may not be applied towards a membership purchase.
7. Memberships may be upgraded at any time. Current membership cards required for trade at the time of the upgrade. Upgrades do not extend original membership expiration date (exception: upgrade from 6 month to annual membership packages).
8. Discovery Gateway reserves the right to make changes to its membership policies and benefits at any time without notice. Failure to comply with membership house rules may result in loss of membership privileges.
9. ASTC Travel Passports are only valid outside a 90-mile radius from your actual residence or from Discovery Gateway (if purchased here).
For more information about ASTC, or to see a list of participating institutions, visit www.astc.org.
10. The most important of all house rules at Discovery Gateway: have fun!
